Hi all – I just sent out a meeting invitation for Dec 2<sup>nd</sup> at 3pm. I spoke with Senator Wolf's staff on Friday and that was the best day (post-election) for a meeting. He did request to meet in person, so we will hold the meeting here. I asked that his staff send me a list of anyone else that he will be asking to join him well in advance of the meeting so we know who will be attending.

Thanks,

Kelsey
